

Capital Area Transit

December 6, 2017

The **Cumberland-Dauphin-Harrisburg Transit Authority dba Capital Area Transit (CAT)** is reaching out to all local businesses in our communities to make them aware of CAT's ongoing and special opportunities to participate in procurements (including RFP/IFB/RFQ) with Capital Area Transit. CAT is attempting to build a stronger database of willing and able vendors for **ALL products and services**. The opportunities will vary in size and scale, but CAT's commitment and intention is to draw a greater local pool of potential participating vendors. CAT hopes you will assist us in this process by networking, publishing, and/or posting and making contacts aware of CAT's website and contact information. Any and all vendors are encouraged to contact CAT to register their business (Registration does not guarantee work/sales or that your business will be a selected vendor) . Thank you in advance for your commitment and participation and we hope this is successful for all involved.
