FOR IMMEDIATE RELEASE

3P Ride Receives \$50,000 Veterans' Transportation Grant

York, PA – 3P Ride, Inc. received a \$50,000 Veterans Trust Fund grant for Veterans' transportation to medical care for a total of five central Pennsylvania counties, now to include Dauphin County. 3P Ride is the 501(c)(3) nonprofit organization formed by rabbitransit. While some Veterans' transportation exists in the region, the grant allows for an expansion into Adams, Dauphin, Cumberland, Columbia and York counties.

"3P Ride and rabbitransit have provided nearly 10,000 trips for Veterans to the Lebanon VA Hospital. To be able to offer connections to Veterans is a privilege and these funds allow 3P Ride to partner with CAT (Capital Area Transit) to make that possible. Financial support allows us the opportunity to meet the medical travel needs of many of our residents who served our country," comments Richard Farr, 3P Ride Director.

The Veterans' Trust Fund grant was awarded to 29 Pennsylvania organizations that support veterans' programs throughout the Commonwealth of Pennsylvania. The Veterans' Trust Fund is administered by the Pennsylvania Department of Military and Veterans Affairs (DMVA).

For more information about our Veterans' transportation in action, please visit:
