

May 20, 2019 Service Adjustment Summary

Please see updated Route Schedules for more information

All Commuter Routes – Routes 23, 81, 82, 120X, CX and MX

Change in policy regarding drop-off arrival times:

- Due to variations in daily highway traffic travel times, specific schedule timepoints on each Commuter Route will become approximate; when dropping off inbound riders in Harrisburg in the AM or dropping off riders outside of Harrisburg in the PM, the bus may arrive at a time earlier than scheduled.

Please see individual schedules for further details.
