

## ATTENTION RT. MX / MECHANICSBURG EXPRESS PATRONS

A demolition project will start at the Bon-Ton/Borders location either late this week or early next week. Construction fencing will be placed at the site and the Bon-Ton Park & Ride location will be inaccessible. Lower Allen Township and CAT have identified an alternate location for the Bon-Ton Park & Ride until completion of the project.

Starting **Thursday September 19, 2019**, please use the last row of parking spaces behind the Texas Roadhouse (the row of spaces where the Bus icon is located on the map) as the alternate Bon-Ton Park & Ride location and the Bus icon as the official bus stop until further notice.
